Proctortrack is an automated remote proctoring solution that verifies the identity of online test takers.

- CSU Instructors can use Proctortrack with Canvas quizzes.
- Cost: For students taking a fully online course through CSU Online, the cost to use Proctortrack for an online quiz is usually paid for by CSU Online. For courses not in the CSU Online program, there is usually a cost to students to take a quiz using Proctortrack.
- An instructor can associate a quiz in Canvas with Proctortrack.
- A student downloads the Proctortrack software to their Mac or Windows PC computer.
- Student records their identity in Proctortrack.
- The student’s test taking behavior is then monitored.

Add Proctortrack Link to Course Menu

Add Proctortrack Link to Course Menu (Visible only to instructors Only)

1) In your Canvas course, on the course left menu click Settings.

2) At the top of the page click Navigation.
3) **Drag** the **Proctortrack** item *from* the **bottom** “hidden from students” box *to* the **top** “visible to students” box.

4) **At the bottom of the page, click Save.**

Proctortrack is designed in a way to that this link will be **visible/available to Instructors Only** on the left course menu.

*Note: students Will Not see this link;* it is used by instructors to link a quiz in their Canvas course to a quiz that they registered with Proctortrack.
