

Add Link to Unizin Engage To a Canvas Course

Instructors can place a link to Unizin Engage within a Module in their Canvas course which will take students to the Unizin e-text book.

Prerequisites:

- Semester course created in CSU's Canvas system.
- Contact the CSU Engage Manager to:
Work with CSU Engage Manager to create your course in Engage.
Engage installed in your course by CSU Engage Manager.

CSU Engage Manager:

<http://info.canvas.colostate.edu/external-tools.aspx>

-Look for Engage by Unizin to see the manager's contact information.

Add a Link to Engage to Canvas course menu

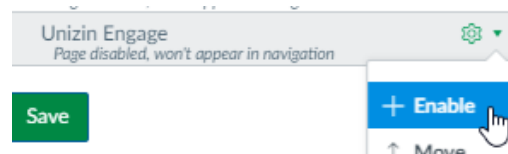

- a) At the **bottom of the left course menu** click **Settings**.

- b) At **the top of the page** click on the **Navigation** tab.

- c) In the **bottom box** on the page, to the **right of UNIZIN Engage**, use the drop down menu and **select Enable**.

d) At the **bottom of the page** *click Save.*

e) On the **left course menu** *click UNIZIN Engage.*

In your course you will see this page.

f) *Click Launch Unizin Engage to connect to your e-text.*
